## UPCOMING JANUARY ACTIVITY

We will begin two days of “specials” in the 3/7 classroom. Students will choose one focused activity topic on each “specials” day that they will remain in weekly for four-five consecutive weeks. This gives students the opportunity to work in a small group with the same peers weekly on an activity that is of interest of them.

## PREPARING FOR THE WINTER WEATHER

- **Winter Jackets**
- **Hats, Gloves/Mittens**
- **Snow Boots and Snow Pants**
- **Extra dry clothes to change into**

It will be extremely important for your child to be prepared to go outside on a daily basis. Please be sure your child has all the necessary gear so they can enjoy their time and be safe and comfortable outside. Please take into consideration that this clothing does get wet during school recess. Providing extra will be helpful.

Wishing you a wonderful holiday season and a Happy New Year!
